Glorifying God : Building Community

## Food Larder/The Hub and Remembrance

### **Please give thanks for**

- the team who serve in these ministries.
- Sally as she leads the Larder and David as he leads the Hub.
- the people who have come into church life through these ministries.
- the great provision of food from school and church harvests.
- the opportunities that Remembrance Sunday brings to reach people we don't normally engage with.

### **Please pray for**

- Simon, Anthony and Denise as they speak to those who are in the queue for the Food Larder on a Tuesday.
- The conversations with those who use the Larder - that the team will shine the light of Christ on all they serve and speak to.
- The pick-ups from local shops usually by Kerry — that the staff will see the love of Christ in all we do.
- The new Tesco to agree that we can pick up food from them on a Monday and a Thursday.
- David and the great team of volunteers in the Hub that they will shine the light of Christ on all they serve and speak to.
- The new volunteers as they fill in their forms and start the training so that they can help others.
- The need for more volunteers especially in the Hub.
- The increasingly complex situations and people that are being helped, for a calm and helpful atmosphere each day.
- Protection each day we are open as a few are harder to work with.
- Simon as he preaches at our Remembrance Day service.
- Anthony as he leads both in church and in the park.
- The cadets and other youth organisations to attend and be attentive to what is being said.
- The leaders of the organisations and visiting dignitaries to listen and be drawn to Christ.

**Please pray for anything else that the Lord lays on your heart.**

- safety in travel and fun as we are together in a glorious place.
- relationships to deepen with God and with one another.
- safety in all the activities that will happen during the week.
- good weather as this helps the week to be successful.
- that those who attend and those who do not to be united when what happened in the week is shared with our congregations.
- those taking on extra responsibilities either at home or at Ashburnham.
- Those who attend the Tuesday and Thursday Bay Ignite congregations as both congregations will not meet during the Ashburnham week.
- Laura and Francesca being baptised this Sunday for a joyous celebration of new life in Christ.
- protection from the attacks of the devil this week and after they have been baptised.
- Stephanie who for various reasons has rightly delayed her baptism.
- those who visit us especially this Sunday to be drawn towards the Lord Jesus.
